Dear Sir:

Pursuant to the Notice of Dismissed Request "Notice" mailed December 12, 2012 in the above-referenced case to Connolly Bove Lodge & Hutz LLP (currently attorney of record) denying the Request for a Change to Large Entity Status submitted on July 10, 2012, attached are Statements Under 37 CFR 3.73(c) signed by Dr. Delter Herbst and Dr. Stofan Schwenkede indicating that they are both authorized to sign for the Assignee of Record of the entire interest of US Patent 6,821,588. Particularly, the above-referenced patent is assigned in its entirety to Kalle GmbH & Co. KG ("Kalle") as noted on Reel 015437 and Frame 0690 on December 8, 2004, and Drs. Herbst and Schwenkede are authorized to speak on behalf of Kalle, as indicated within the attached statements. Consequently, Applicants' Representative requests that the earlier filed Request of July 10, 2012 (erroneously dated as October 23, 2012) executed by Drs. Herbst and Schwenkedel stating that Kalle has a Large Entity Status and is not a small entity be granted.

It is not believed that fees are required, beyond those which may otherwise be provided for in documents accompanying this paper. However, in the event that additional fees are necessary to allow consideration of this paper, and any fee required is hereby authorized to be charged to Deposit Account No. 50-2193.
